Kentucky Chapter – American College of Cardiology
446 East High Street Suite 10
Lexington, KY 40507
www.kentuckyacc.org

We would like to invite you to exhibit at the Kentucky Chapter – American College of Cardiology’s (KY-ACC) 14th Annual Meeting on Saturday, October 13, 2018 at the Lexington Convention Center in Lexington, Kentucky. This all-day program is the premier CME offering in the field of cardiology in the Commonwealth of Kentucky. This meeting is one of the largest ACC state chapter meetings in the country - over 300 attendees are expected, including cardiologists, Fellows in Training, PAs, APRNs, cardiovascular pharmacists, nurses, echo technicians and other cardiology professionals.

Over 20 national and local speakers will present on the latest topics in cardiology. Breakout sessions will be offered for CV Team members, cardiac pharmacology, practice management, and the business of cardiology. Live, hands on echo sessions will also be offered.

Exhibiting at the 2018 Annual Meeting provides you with an opportunity to:

- Enhance your brand
- Increase sales
- Educate customers
- Gain valuable input and feedback
- Generate leads
- Forge new relationships and partnerships

... all while supporting a time-honored, statewide event!

There is a drawing for airfare and admission to the American College of Cardiology’s ACC.19 Scientific Meeting. This popular drawing requires attendees to visit a set number of exhibitors to qualify. We have also added extra time with the exhibitors to this year’s schedule.

We hope you will consider joining us this year. Exhibitor materials, schedule and forms are contained in the Sponsor Exhibitor Prospectus. Please contact the office with any questions at 859-899-9120 or bswartz@kentuckyacc.org. Exhibitor Applications and Agreements are due by August 30, 2018.

Sincerely,
Kentucky Chapter - American College of Cardiology

Susan Smyth, MD, PhD, FACC
Governor, KY-ACC
