2026 Sponsorship Opportunities

The Kentucky Chapter of the American College of Cardiology (KY-ACC) presents sponsorship and exhibit opportunities for its 22nd Annual Meeting and Scientific Session.

The KY-ACC annual conference is the premier educational and networking opportunity for cardiologists and cardiovascular team members in the Commonwealth of Kentucky. This one day conference draws approximately 300 attendees each year including cardiologists, fellows-in-training, physician assistants, advanced practice nurses, pharmacists, technicians, and cardiology practice managers.

The KY-ACC Annual Meeting and Scientific Session, one of the largest state chapter meetings in the nation, will feature leading national and local experts who will present sessions on clinical and professional issues and innovations in cardiology. The day will conclude with FIT Jeopardy—don't miss this exciting event as the best and brightest fellows-in-training from around Kentucky face off to test their knowledge in a winner-take-all match.
