The Kentucky Chapter of the American College of Cardiology (KY-ACC) is pleased to present sponsorship and exhibit opportunities for its 17th Annual Scientific Meeting, to be held on Saturday, September 11, 2021, at the Louisville Marriott East, Louisville, Kentucky.

The KY-ACC annual conference is the premiere educational and networking opportunity for cardiologists and cardiovascular team members in the Commonwealth of Kentucky, and draws approximately 300 attendees each year including cardiologists, fellows-in-training, physician assistants, advanced practice nurses, pharmacists, technicians, and cardiology practice managers.

The KY-ACC Annual Scientific Meeting, one of the largest state chapter meetings in the nation, will feature leading national and local experts who will present sessions on clinical and professional issues and innovations in cardiology. Featured breakout session topics include congenital heart disease, advanced interventional electrophysiology, heart failure, and live, hands-on echo sessions. The day will conclude with FIT Jeopardy—don’t miss this exciting event as the best and brightest fellows-in-training from around Kentucky face off to test their knowledge in a winner-take-all match.
